18th Annual RICKA Family Picnic

Cold Spring Community Center
at the North Kingstown Town Beach
Sunday, September 14, 2025

The 18th annual [RICKA Family Picnic](#) will be held on Sunday, September 14th at the Cold Spring Community Center at the North Kingstown Town Beach – a great location with gorgeous views of Narragansett Bay. The Cold Spring Community Center is located at [36 Beach Street, North Kingstown, RI 02852](#).

In the morning a Flatwater trip will leave from [Wilson Park](#) to paddle Wickford Harbor, and a Sea Kayak trip will leave from the [North Kingstown Town Beach](#) to paddle in Narragansett Bay. Check the flatwater and sea kayak websites for details.

Lunch will be available starting at 1:00 at the Cold Spring Community Center. Options will be available for vegan and gluten-free. The cost will be \$15.50 per person. The 2025 RICKA Awards Ceremony will follow lunch.

Register now for this fun event - your registration is due by September 7, 2025. See page 3 for registration details.

Sharon receives the 2024 Volunteer of the Year award at last year's RICKA Picnic. Who will win this year?

Paddle for Progress – Wickford Harbor

September 21, 2025 - meet at 9:00 for a 10:00 launch

We will meet at Gardner's Wharf ([170 Main Street, North Kingstown, RI](#)) for a paddle in support of the 2025 [Paddle for Progress](#) to help the Rhode Island Hospital Foundation raise money and awareness for breast cancer research and care in RI. RICKA will have a team, and will have an optional extended paddle after the organized event. You can join the team or make a donation [here](#).

See page 4 or contact Gary Powers at garpow28@aol.com for additional information.

Introduction to Level 3 Paddling

September 7, 2025 - launch at 9:30

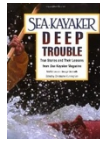

We will meet at the URI Bay Campus Beach ([S Ferry Rd, Saunderstown, RI](#)). This will be a step-up trip geared to sea kayakers who have mostly paddled Level 2 trips, or even more experienced flatwater paddlers. You will have the opportunity to paddle in swells, current, rocks, and/or other dynamic (but still manageable) conditions. This trip will be in Level 2+/3 conditions – appropriate equipment is required.

Be sure to check the [Sea Kayak message board](#) for any changes or additional information.

From the RICKA Library...

Stay Safe with these Safety/Rescue Books

Sea Kayaker Deep Trouble by Matt Broze and George Gronseth

Sea Kayaker's Deep Trouble offers more than twenty real-life accounts of accidents that will both keep you on the edge of your seat and instruct you with potentially life-saving lessons. These tales are the result of interviews with survivors, witnesses and rescuers. From capsizes and hypothermia to brushes with sharks and entrapment in sea caves, the situations are described in chilling detail and then subjected to expert analysis. Sea Kayaker's Deep Trouble is rounded out by a comprehensive introduction to sea kayaking safety and tips on equipment, techniques, and improving your skills.

Whitewater Rescue Manual by Charles Walbridge and Wayne Sundmacher

In Whitewater Rescue Manual, two paddlers who have long been at the forefront of whitewater safety and rescue present a tightly focused look at the best, most current techniques for both self-rescue and rescue of others on the river. The authors provide well-reasoned guidance that will teach you when to stay with the boat and when not to; how to retrieve a lost boat; how to swim out of trouble and when not to swim; how to reach a victim; how to coordinate a rescue effort; how to make sure that would-be rescuers don't become victims; how to safely evacuate injured paddlers; and much more.

These are just two of the great books and videos covering the range of paddling topics that are available in our [collection](#). If you would like to check out these or any other selections, contact Bill Hahn at librarian@ricka.org. Library selections can be mailed to you with a postage paid return mailer provided at no cost to the borrower.

Join the Fun, Join the Cause

As summer turns to fall, what could be better than a gentle paddle around the picturesque islands of Wickford Harbor with scores of other paddlers, all in support of a good cause.

On September 21st, Wickford Harbor will once again “turn pink” as the Paddle for Progress brings paddlers of all abilities together for this fun event. The goal, other than enjoying a nice paddle, is to help the RI Hospital Foundation raise money and awareness for breast cancer research and care in RI.

This is Paddle for Progress’ 3rd year, a paddling event created by a mother/daughter team and avid paddlers Deb Shapiro and Daryl West who were

both diagnosed with breast cancer 100 days apart.

“When we started this event, our main goal was to create an event that would bring the community together while spotlighting the extraordinary care available at the Breast Cancer Multidisciplinary Clinic and raising some money for advancements in breast cancer treatments locally. It has since grown into something bigger and much more profound,” Shapiro said.

Last year’s event bought over 100 paddlers and raised over \$64,400, doubling the total from the inaugural event in 2023. This year the buzz is even greater, and it is hoped that they will surpass the \$100,000 mark.

In 2023 and 2024 a handful of RICKA paddlers joined in the fun. This year, RICKA has created a team with hopes of having a greater presence and will include an optional extended paddle for interested flatwater or sea kayakers. Joining in the event is easy with a required registration, however donations are not required (just appreciated).

We would love you to join the RICKA team either as a paddler or simply putting our donation link on your social media page. To register or donate, please click on the link below and thank you for your support and hope to see you on the water!

Bastille Day Campout

Back in the old days, RICKA held an annual summer camping trip – the Bastille Day Campout. Why Bastille Day was chosen as a theme for a RICKA camping trip has been lost to history. The connection to summer is obvious, and maybe it was as simple as that.

The event was originally held on Dutch Island. When the DEM prohibited camping on Dutch Island in 1991, it moved to the Burlingame Canoe Campsites on the Pawcatuck.

It was celebrated with an assortment of French and French-Canadian delicacies – mostly wine and beer. A Molson toast around the fire was always the highlight of an evening filled with good food and good friends.

The traditional Molson Toast

Reviving this RICKA tradition seemed like a worthy challenge, so for the past few years we have been organizing a summer overnight trip at the Burlingame Canoe Campsites.

This year, we met at the Bradford Landing at 2:30 to load up our boats. The weather was beautiful as we headed out. We arrived and found the field campsite empty, so we hauled our gear up and set up camp.

We started the dinner fire, then cooled off taking turns on the rope swing as the fire

burned down to coals for cooking. The food was plentiful and delicious.

After dinner, we settled in around the campfire for a night of tall-tales and war-stories. I finally turned in at around 10:00.

Before I knew it, morning light was streaming through my tent. I got up around 6:00, started the fire and got the coffee perking.

Dan was up shortly after, so we started on breakfast. I fired up my Dutch oven to make a batch of cinnamon rolls, and Dan fired up his 20” Big Daddy skillet to cook everything else. No one ever goes hungry on these trips.

After breakfast we packed for the trip back to Bradford. I was on the road by 10:00, and I was home by 11:00. We will definitely put the Bastille Day Campout on the RICKA calendar again next year – hope you can join us!

Before you Paddle...

Educate yourself about the area in which you will be paddling, and carry appropriate gear, clothing, water, food, etc. Always check the weather forecast before launching. **YOU ALONE ARE RESPONSIBLE FOR MAKING THE DECISION TO LAUNCH YOUR BOAT.**
